

FLYERS Afterschool Program

The FLYERS program was established over 25 years ago in partnership with the Fort Mill School District with the intention of creating a safe place for working parents to leave their children that encourages education, socialization and outdoor exploration. Homework, planned activity, centers, snack and outdoor play are all part of the FLYERS Afterschool experience. Supplementary programs such as Pathfinders and Fit Kids are also provided to students focusing on sports, character building and environmental stewardship. FLYERS staff are experienced teachers and caregivers that strive to provide a 1:12 staff-to-student ratio. Children in kindergarten through 5th grade will engage in activities that encourage creativity, social relationships, appropriate behavior and positive self-image.
